

ALARM FOR COBRA 11

HOT PURSUIT

midas
interactive entertainment

VOL. II

Precautions

• This disc contains software for the PlayStation®2 computer entertainment system. Never use this disc on any other system, as it could damage it. • This disc conforms to PlayStation®2 specifications for the PAL market only. It cannot be used on other specification versions of PlayStation®2. • Read the PlayStation®2 Instruction Manual carefully to ensure correct usage. • When inserting this disc in the PlayStation®2 always place it with the required playback side facing down. • When handling the disc, do not touch the surface. Hold it by the edge. • Keep the disc clean and free of scratches. Should the surface become dirty, wipe it gently with a soft dry cloth. • Do not leave the disc near heat sources or in direct sunlight or excessive moisture. • Do not use an irregularly shaped disc, a cracked or warped disc, or one that has been repaired with adhesives, as it could lead to malfunction.

Health Warning

For your health, be sure to take a break of about 15 minutes during every hour of play. Avoid playing when tired or suffering from lack of sleep. Always play in a well-lit room, sitting as far from the screen as the cord will allow. Some people experience epileptic seizures when viewing flashing lights or patterns in our daily environment. These people may experience seizures while watching TV pictures or playing video games. Even players who have never had any seizures may nonetheless have an undetected epileptic condition. Consult your doctor before playing video games if you have an epileptic condition or immediately should you experience any of the following symptoms during play: dizziness, altered vision, muscle twitching, other involuntary movements, loss of awareness of your surroundings, mental confusion, and / or convulsions.

PIRACY

The unauthorised reproduction of all or any game part of this product and the unauthorised use of registered trademarks are likely to constitute a criminal offence. PIRACY harms Consumers as well as legitimate Developers, Publishers and Retailers. If you suspect this game product is an unauthorised copy, or have any other information about pirate product, please call your local Customer Service number given at the back of this Manual.

See back page of this manual for Customer Service Numbers.

What is the PEGI age rating system?

Pan European Games Information (PEGI) is the age rating system for video games in Europe (except where, by law, other rating systems apply). PEGI comprises two separate but complementary elements. The first is an age rating:-

The second is icons describing the type of content in the game. Depending on the type of game, there may be a number of such icons. The age rating of the game is appropriate to the intensity of the content. The icons are:-

VIOLENCE

BAD LANGUAGE

FEAR

SEXUAL CONTENT

DRUGS

DISCRIMINATION

PEGI will allow parents and those purchasing games for children to choose games appropriate to the age of the intended player. For further information visit <http://www.pegi.info>

2

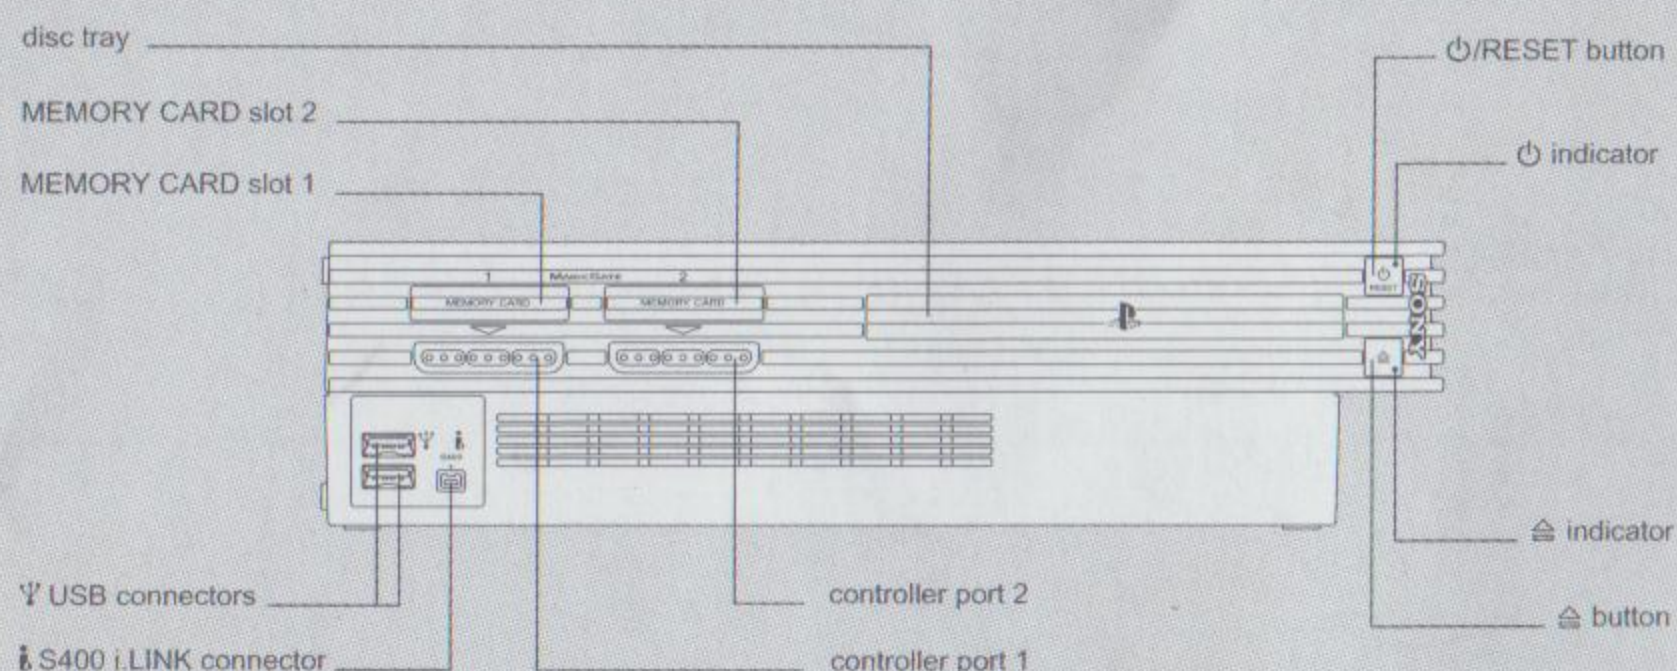

CONSOLE SETUP

1. Set up your PlayStation®2 computer entertainment system according to the instructions in its manual.
2. Make sure the MAIN POWER switch (located on the back of the console) is turned on.
3. Press the /RESET button. When the  indicator is green press the  button and the disc tray will open.
4. Place the Alarm for Cobra 11 Vol. 2: Hot Pursuit disc on the disc tray with the label facing up. Press the  button again and the disc tray will close.
5. If you wish to save data insert a memory card (8MB) (for PlayStation®2) in MEMORY CARD slot 1. At least 141KB of free space is needed to save game data. Attach game controllers and other accessories, as appropriate. Follow on-screen instructions and refer to this manual for information on using the software.

attention: It is advised that accessories are not inserted or removed once the power is switched on. Make sure there is enough free space on your memory card (8MB) (for PlayStation®2) before commencing play. This game autoloads game data on boot up.

3

FRONT PANEL PlayStation®2

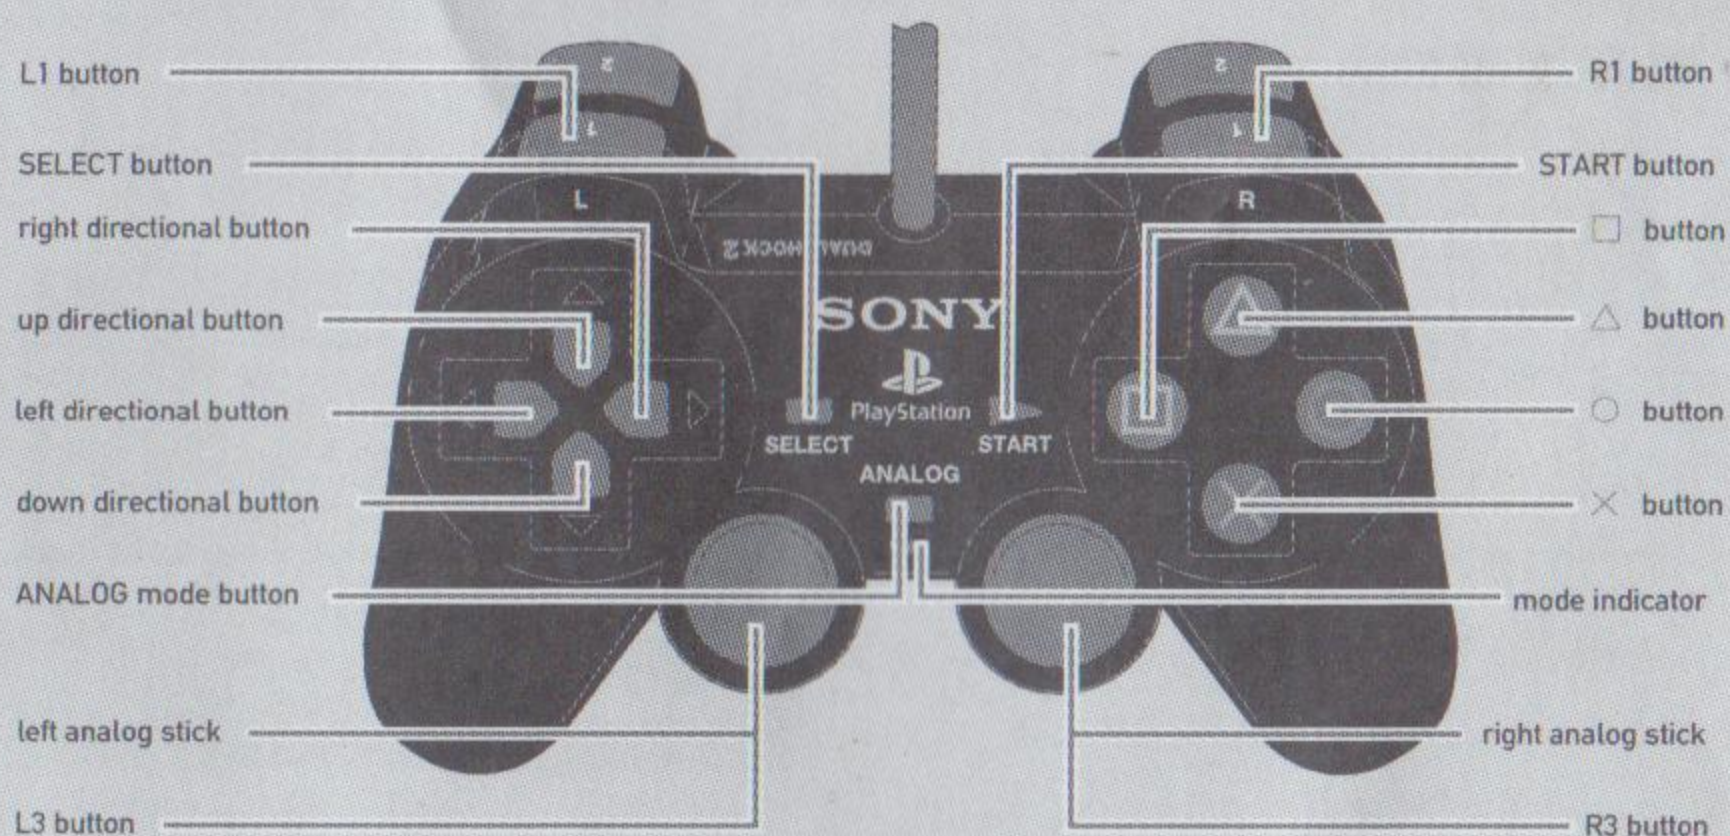

4

MEMORY CARD (8MB) (FOR PlayStation®2)

Alarm for Cobra 11 Vol. 2: Hot Pursuit only supports MEMORY CARD slot 1. You can save your game settings and game progress by inserting a memory card (8MB) (for PlayStation®2) with at least 141KB of free space in MEMORY CARD slot 1. Alarm for Cobra 11 Vol. 2: Hot Pursuit uses an autosave feature (automatic saving); your game progress is automatically saved at certain points in the game. Insertion or removal of a memory card (8MB) (for PlayStation®2) in MEMORY CARD slot 1 after boot up may cause data to be overwritten or lost. Alarm for Cobra 11 Vol. 2: Hot Pursuit also supports a manual load and save option via Options – Load / Save directly from the main menu. After manually loading or saving game data, the game will automatically save your game progress at certain points in the game.

5

ANALOG CONTROLLER (DUALSHOCK®2)

6

THE CONTROLS

To control the car during the race use the following:

 button	Accelerate
 button	Brake/Reverse
 button	Change camera
Right directional button	Steer right
Left directional button	Steer left
 button	Nitro boost (only if available)
 button	Horn/Siren
 button	Pause/Restart/Exit game
 button	Reset the car at the current position
Left Analog Stick	Steer left and right in analog mode (indicator: red)

Navigation through the menu

You can navigate through the menu screen using your directional buttons. To choose an option or to go to the next selected screen press the  button. If you want to cancel or go back to a previous screen press the  button.

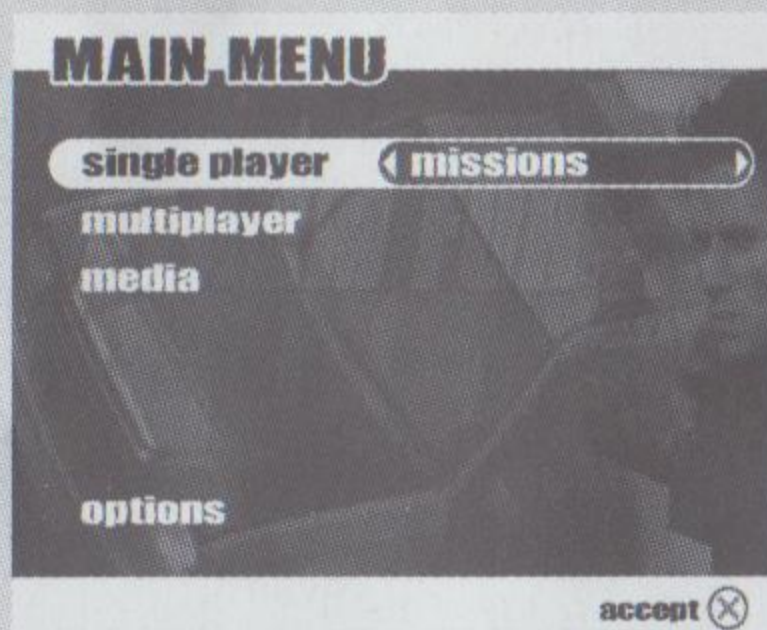

7

MAIN MENU

In the main menu, you've got four main options to choose from: Single Player, Multiplayer, Media gallery and Options.

Select Single Player if you'd like to race a Mission, Time Trial, Chase or a Quick Race.

Select Multiplayer if you want to race a Duel or a Chase against a friend, relative or family member.

7**MAIN MENU**

You can find background information about the series, pictures from the cast and once unlocked, video clips from the series in the Media Gallery.

If you want to change the configuration of your Controls, Sound, Savegame or look at your Lap Records, highlight Options and select the option you wish to change from the main menu.

Mission

To unlock tracks and vehicles, you have to complete missions.

There are assignments in 4 different cities. Every assignment consists out of 4 missions. Once you have completed all 4 missions within a city, you can go to the next assignment.

Time Trial

Race against time on your favourite track with your favourite car and try to beat the lap record.

Quick Race

Select your favourite car and track for instant racing and fun.

Chase

Complete set objectives within the time limit. Play single or multiplayer. You need at least two controllers to play in Multiplayer mode.

Duel

You want to race against a friend? Select Multiplayer and choose Duel. You need at least two controllers to play in Multiplayer mode.

7

MAIN MENU**The Controls**

You can choose between several presets for your controls or turn the vibration or force feedback on/off by selecting Options/ Controller 1 or Options/Controller 2 from the main menu.

Sound

Here you can adjust the volume of the sound and music to your own convenience.

Lap Records

Here you can view the top five lap records for each track.

Load / Save

Here you can manually load and save your game progress.

8

BONUSES**Pickup Bonuses**

While racing, bonuses sitting on the road are waiting to get picked up by you. Don't miss them! You'll need them to win.

Nitro Bonus

Collect Nitro to increase your speed. To activate the Nitro, press the Nitro button on your Controller. Check the Nitro Meter on your display to see how much Nitro you have left.

Normal Nitro Bonus:

10% extra Nitro Fuel

Large Nitro Bonus:

50% extra Nitro Fuel

8

BONUSES

Repair Bonus

If your car has been damaged, pickup the Repair bonus to repair your car automatically. You can check the amount of damage on your display.

Normal Repair Bonus:

will repair 25% of the total amount of damage

Large Repair bonus:

will repair 50% of the total amount of damage

9

DRIVING FORCE USB STEERING WHEEL

To control the car during the race use the following:

Right Pedal	Accelerate
Left Pedal	Brake/Reverse
 button	Change camera
Steering Wheel	Steering
 button	Nitro boost [only if available]
 button	Horn
 button	Pause/Restart/Exit game
 button	Reset the car at the current position

You can also adjust the sensitivity of your Driving Force USB steering wheel. When it's connected correctly, it will show in the Controller Menu.
